ARCHAEOLOGY WORKS: CERAMICS

Orlando Museum of Art

March 7th
1:00 pm – 4:00 pm

Come learn about common historic ceramics found in Florida and the Caribbean between 1492-1850. Then try your hand at analyses the pros use to determine date and use of sites. Participants will make a replica to take home and teach others what they learned. $10 registration covers workshop supplies. Contact Kevin Gidusko at KGidusko@Flagler.edu or 904-392-8065 for more information.
