Join the Florida Public Archaeology Network and the Southeast Branch of the St. Johns County Library to take an in-depth look at archaeological materials and the science behind them. Participants will also get to try their hand at the same analysis techniques used by the pros.

RSVPs requested: Emily Jane Murray, EMurray@Flagler.edu or 904-392-7874.

Mondays, 2-3 pm

November 14 - Glass
November 21 - Dating
November 28 - Bones
