ARCHAEOLOGY WORKS:
CERAMICS

Saturday, November 7
GTM Research Reserve
11 am - 1 pm

Come learn about common historic ceramics found in Florida and the Caribbean between 1492-1850. Then try your hand at analyses the pros use to determine date and use of sites. Participants will make a replica to take home and teach others what they learned!

A $15 fee includes supplies and lunch. Please register online at gtm-aw-ceramics.eventbrite.com.
