FULL-DAY WORKSHOPS
9:00 am - 4:30 pm

INCLUDES:
• 5 Educational sessions
• Lunch
• A preservation-based facility tour
• Invitation to our member mixer following the program

MORNING SESSIONS 9:00 am - 11:30 am:
Preservation Planning Session:
Learn the basics of preservation and preservation planning from experts in the field. Architects, Museum professionals and Professional Planners will lead this session.

Hands-on Masonry Session:
What techniques are best when repairing or replacing masonry? Patricia Davenport from Environmental Services, Inc. will share her knowledge in this area through an intriguing hands-on session.

LUNCH SESSIONS 11:45 am - 1:45 pm:
Disaster Mitigation Session:
The State of Florida has special concerns to manage regarding disaster mitigation. With rising waters, hurricanes and other natural threats, how do we as the caretakers of cultural resources manage these hazards?

Facility Tour:
Tour the historic buildings and grounds with a focus on preservation, provided by host museum.

AFTERNOON SESSIONS 2:00 pm - 4:30 pm:
Hands-on Wood and Window Session:
What techniques are best when repairing or replacing wood materials or openings? Jodi Rubin from with Specialized Property Services will share her knowledge in this area through an intriguing hands-on session.

State Programs & Funding Session:
The State of Florida Division of Historical Resources will provide an informative session on the programs and funding opportunities offered by the State of Florida. They will be on hand to answer questions and offer assistance.

EVENING:
Join FAM and FAMF Board Members, Staff and your Museum and Cultural institution colleagues for a Member mixer and networking opportunity after the day-long workshop.
