Alliance for Weedon Island Archaeological Research and Education (AWIARE), in partnership with the Florida Public Archaeology Network (FPAN), plans exciting new archaeology summer camps at Weedon Island Preserve designed for students who are interested in exploring the past. All camps are conducted by professional archaeologists, including educators from FPAN and allow kids to experience archaeology first-hand through activities, experiments, hikes, and even a real excavation.

**Dates:** July 16 – 20, 2018 (9 am – 3 pm)  
July 23 – 27, 2018 (9 am – 3 pm)

**Ages:** Children ages 7 – 11

**Registration:** $175.00/camper/week  
Limited to 20/week

Registration is on a first-come, first-served basis. Before-camp care is available from 7:45 am to 9:00 am for an additional fee ($50.00) each week.
This summer camp is designed for children with an interest in prehistory and history as well as learning how early people interacted with their environment. Campers will learn about the importance of archaeology and will gain understanding about early natural resources that were necessary for life in the Tampa Bay region. Highlights of the camps include guest experts, tour of an archaeological site, hands-on archaeology, lab analysis, pottery making, atlatl adventure, and earning the certificate of Tommy the Tortoise, Junior Archaeologist.
