Ever wonder what archaeologists do with all that stuff they dig up at archaeological sites once the fieldwork is finished?

At the FPAN Volunteer Lab, you can come find out for yourself! Learn all about how artifacts and other archaeological material get processed in the laboratory so that we can use them to learn about the past. You will get the chance to sort through, identify, and wash artifacts and other material from real archaeological sites!

All ages are welcome to participate or observe, children 12 and under should be accompanied by an adult.

Where: Weedon Island Preserve
1800 Weedon Drive NE
St. Petersburg, 33702

When: Friday, February 20th
10:00 am – 12:00 pm
Friday, March 20th
10:00 am – 12:00 pm
