Volunteer Opportunities

The Northeast Regional Center mentored two interns from Flagler College during the Spring 2024 semester, Maria Fortune and Lydia Hawk. The students get a crash course in public outreach and noninvasive site documentation. They participated in various activities including terrestrial laser scanning and photogrammetry, shoreline mapping, site monitoring, GPR survey, and public programs.

FAM: Florida Archaeology Month 2024

The Northeast Regional Center reached almost 400 participants through 10 events during archaeology month. The events included talks at libraries, workshops at local museums and even a presentation to the Florida Prescribed Fire Council meeting in Tallahassee. Staff also helped with the Southeast Regional Center's ArchaeoBootCamp at the Jupiter Inlet Lighthouse Outstanding Natural Area.
